Sub: Implementation an online application for obtaining electricity connection.

Ref: Joint Secretary EPD letter No. ELC/2015/GO/29-K1 dated 05.12.2015.

Respected Sir,

For successful evaluation of 'Ease of Doing Business' one point is "Implementing an On Line Application for obtaining Electricity connection". All DISCOMs have already provided online application facility in the web portal. However it is observed that such facility is not used by the applicants. It needs consumer awareness regarding the online application facility. In this regard, CMD GUVNL & PS EPD directed that notice may be issued to all concerned, and general notice in the websites of GUVNL and all DISCOMs that from 1st January 2016, all LT and HT Industrial applications for new Electricity Connection should be processed through Online system only.

This is for further necessary action, please.

Thanking you,

Yours Faithfully,
