On 02-Jan-2012, Uttar Gujarat Vij Company Limited received ISO 9001:2008 re-certification from Bureau Veritas Certification (India) Pvt. Ltd., for the Company's Regd. & Corporate Office, all Circle Offices, Division Offices, Sub-Division Offices, Energy Management Center and Area Load Dispatch Center.

On 04-Jan-2012, Bureau Veritas' JJ Khamar presented the certificate to the Company's Chief Engineer (Operation) Shri CL Sharma, in presence of Company Secretary Shri NM Joshi, I/c. AGM (HR) Shri DM Tiwari, ACE (Tech.) Shri DS Doshi, among other senior officials.

The re-certification signifies the Company's excellent efforts towards Management and Performance Enhancement of Electricity Distribution Operations.

This re-certification is valid up to 21-Dec-2014.

Since incorporation, the Company has built an effective Quality Management System, pursuant to which each and every process/procedure is clearly defined and documented, ensuring employee participation in management decision making, resulting into real-time achievement of the Company's Vision, Mission and Core Values.

With a view to achieving greater heights through implementation in letters and spirit of the devised processes thereby ensuring functional transparency while keeping in view the Mission, Vision and Objectives including Smart Goals of the Company as also the future competition in the Electricity Industry, the Company received ISO 9001:2000 Certification in the year 2008, so that best practices can be followed thereby resulting into good governance and consumer-friendly image of the Company.

On 11-Nov-2010, Bureau Veritas had upgraded the Company's ISO 9001:2000 certification to ISO 9001:2008 certification.
