UGVCL organized Health Checkup Camp

On 18-July-2018, UGVCL organized a Health Checkup Camp during 10.30 hrs. and 14.30 hrs. at the Conference Hall located in the Company's Regd. & Corporate Office Campus at Mehsana.

Experienced Medical Officers from Shalby Hospitals, Ahmedabad offered complimentary health checkup services to the health-conscious employees of the Company present during the event.

Orthopaedic consultation, eye checkup, general physician checkup, blood pressure monitoring, random blood glucose checkup, body mass index checkup and other medical services were provided free of cost to the officers and employees.

On the same day, a health awareness talk was also organized during 15.30 hrs. and 16.30 hrs., where employees enquired about various health-related questions with the medical officers, who enthusiastically guided them in improving their health.

Under the able leadership of Hon. Managing Director Shri Swaroop P., IAS, the Company is constantly striving its best to extend a human touch to its employees.

Acknowledging the amount of stress and the changing lifestyle habits, AGM (HR) Shri A.C. Prajapati felt the need to provide medical guidance to the Company's employees, so that medical professionals can assess the present health conditions of the employees and further suggest necessary guidance to them to stay healthy and if required, proper medication may be initiated to the few, who may be on the verge of some serious illness.

UGVCL provides cashless medical facilities to its employees and their dependent family members through various hospitals having tie-up with the Company. Shalby Hospital is one of such hospital associated with UGVCL.
