

UGVCL wins CBIP Award

On 19-Feb-2020, Uttar Gujarat Vij Company Limited won CBIP Award as Best Performing Power Distribution Utility of Central Board of Irrigation & Power (CBIP), New Delhi.

During the CBIP Day Celebrations 2020 held at SCOPE Complex, New Delhi, the Award was presented by Shri Gajendrasinh Shekhavat, Hon. Minister, Ministry of Water Resources, Government of India to the Company's Hon'ble Managing Director Shri Mahesh Singh and Chief Engineer (Operation) Shri P.B. Pandya.

Shri U.P. Singh, Secretary Ministry of Jal Shakti, Shri Sanjeev Nanadan Sahai, Secretary, Ministry of Power and Shri Anand Kumar, Secretary, Ministry of New & Renewable Energy shared the dais and congratulated the participants.

In recognition of the Company's excellent efforts in providing continuous and sustainable power supply in the urban and rural areas of North Gujarat, CBIP selected UGVCL as the best electricity distribution company across the country.

CBIP acknowledged the Company's outstanding contribution to the nation by providing reliable and cost effective electricity to its customers for industrial and overall economic development through optimization of available resources in the distribution sector.

To recognize the outstanding contribution of the individuals and institutions for their excellent contributions in the development of Water Resources, Power and Renewable Energy Sectors, CBIP has been honouring them by conferring CBIP Awards.

The event was attended by expert participants including CMDs, Directors and Senior officers from PSUs, SEBs & other organizations.

UGVCL's Managing Director Shri Mahesh Singh & Chief Engineer (Operation) Shri P.B. Pandya receiving the Award from Shri Gajendrasinh Shekhavat, Hon. Minister, Ministry of Water Resources, Government of India

Eminent Jury Members, who unanimously selected UGVCL, include:

- Shri P. Mhaske, Chairperson, CEA
- Shri A. S. Bakshi, Former Chairperson, CEA

During the symposium, prominent speakers of national repute namely Shri P. Mhaske, and Shri A. S. Bakshi delivered the key note addressed about the development and challenges on the Water Resources, Power and Renewable Energy Sectors.

CBIP, set up by Government of India in January 1927, is a pioneer organization involved in dissemination of technical knowledge in Water Resources, Power and Renewable Energy Sectors for the past 93 years by way of bringing out technical publications, organizing conferences/workshops/seminars and imparting training to professionals & other stakeholders.

CBIP, in the past, has presented number of awards to recognize outstanding contributions in the areas of research, engineering, scientific and managerial aspects so as to promote professional excellence in the fields of water resources, power and renewable energy disciplines to individuals and institutions.

CBIP is a premier institution set-up by the Government of India in 1927, serving the Nation in Water Resources, Power and Renewable Energy Sectors for 9 decades.

CBIP is the National Head Quarter for 10 International organizations related to Power, Water Resources and Renewable Energy Sectors, providing linkages to Indian engineers with their counterparts in other countries.

CBIP has organized over 1700 Seminars, Conferences, Workshops and Training Courses, both at National and International levels, in Water Resources, Power and Renewable Energy Sectors, attended by over 3 lakh delegates.

CBIP has brought out about 1500 Manuals, Technical Reports, Guidelines and 1600 Journals, accessible online.

CBIP provides free access to CBIP Publications to about 30,000 officers of 210 Member organizations, including Government departments, PSUs, Central & State Power Utilities, Regulatory Commissions, Research Institutes and Leading Private Sector Organisations, etc.

CBIP has been recognized as Category-1 training institute by Ministry of Power, Govt. of India for providing training in the fields of Hydro, Thermal, Transmission & Distribution and Power Management etc.
