Sub: Voluntary Disclosure scheme (VDS)-2017 for Agriculture consumers

Ref: T. O. L. No. GUVNL / Tech-3 / VDS / 434 dated 30.5.2017

Respected Sir,

With reference to letter dated 30.5.2017, it was informed to make wide publicity of the VDS scheme by issuing pamphlets to the Agriculture Consumers.

Now, the Competent Authority has directed to initiate the following steps for wide publicity of the scheme over & above pamphlet distribution so that maximum Nos. of applications can be received under VDS scheme which will help in reduction of T & D losses of Agriculture feeders.

- > To make wide publicity through different media.
- > To arrange awareness programme in villages to take benefit of the scheme. However priority should be given to villages of high losses feeders.
- > Further, GUVNL has uploaded the GR & Press advertisement on website of GUVNL for wide publicity. Therefore, it is requested to instruct the concerned officer to upload the GR & press advertisement on website of respective DISCOM on front page with scrolling line.

It is kindly requested to instruct field offices to start the work on receipt of applications at the earliest, as per GR & rules of the company.

Thanking you.

Yours faithfully,

SPTivedi
 (S. P. Trivedi)
